- PCSO Madden has monitored the van parked at Baycliff and will continue to.

**5. To receive reports from the District and County Councillors**

Apologies received from Cllr Cooper

Cllr Willis reported on

-reply from Tim Farron re kiteflying

- data strips have returned for Scales showing 3 directions average speed Percentile as 22.7%; 26.2% & 29.1%. They also advised that the Department for Transport guidance is that 20mph speed limits should be self-enforcing. CCC have suggested that the PC might want to fund a Speed Indicator device – cost approx £2000. Cllr Willis could potentially put her £1000 locality fund out of next years budget towards it if the PC decided to go ahead with this. Its possible the 20MPH extension might slow speeding traffic down earlier. It was agreed to put this on the agenda for another meeting and also that the Speedwatch volunteer programme should be promoted as this can be effective.

- Local Government Reform is progressing.

**6. To raise any matters to pass on to PCSO Madden.**

- see agenda item 4

**7. To receive comments from the public**

Resident question passed on to enquire re the Conservative Party Coast Rd speeding campaign flier and whether this has any Parish Council involvement. Confirmed that this is not in connection with the Parish Council.

submit enquiry to SLDC enforcement.

- Development enquiry also re agricultural Barn at Gleaston on Riddings Lane & Barn

at Baycliff. Clerk to check planning lists to see if these have been Prior Notification only (permitted development)

## **9. To review draft 2022/2023 budget, including Clerks SCP salary scale and agree Precept request.**

Resolved: Clerk SCP scale to move to SC17 from 1<sup>st</sup> April and Precept request of £13041. This represents an increase of £1341 ( 11.46%) to meet all budgeted expenditure for 2022/2023 (which includes a tree survey and associated works that the PC has a duty to carry out). This will show as a higher percentage increase on the Council Tax bill as this is a different calculation made by SLDC according to the tax base (no of properties paying Council Tax) for the year. Clerk to write an explanation of the process/budget and Precept increase to be circulated.

## **10. To receive updates on kiteflying**

No recent debris. Positive discussions with Natural England who plan to attend at a time when the kitefliers are there and it is believed that kitefliers may need permission from the landowner and a permit from Natural England. NE are going to explore this.

## **11. To receive updates on Coast Road/Highways issues & agree actions**

- Flooding @ Aldingham. This is held up with CCC by waiting for the Marine Management permission. Cllr Willis will look at communicating directly with Marine Management.

- speedwatch - to look at trying to promote this again in the Villages

- white lines at Baycliff bend to make dotted line a solid line - previously CCC have said this would cost a lot of money despite the PC suggestion of changing it when the white lines are renewed. Cllr Willis will speak to Helen Karassian again re any way of achieving this.
