10.To discuss placing of kerb stones on Baycliff Village green.

Insurance company advises risk assessment required. Resolved: To submit request to CCC to install kerbstones.

11.To discuss bin at Aldingham

Complaint from resident regarding overflowing bin. SLDC advise this is the responsibility of the landowner (not the PC) and provided possible options. There has also been flytipping at the site recently. As this land is owned by the Fishermans Association, they are reluctantly considering options to prevent vehicles accessing the area due to the costs of dealing with excess rubbish and flytipping. The bin can be moved to outside the area.

12.To consider request for bin at Swinestead Lane, Baycliff.

Request from resident for bin at Swinestead Lane similar to Leythey Lane. Resolved: To consider at the next meeting during budget discussions. The Baycliff bin has been damaged but SLDC are to replace and can still empty. There has also been a request for a bin at Roosebeck. Also to consider at the next meeting.

13.To receive updates on Playgrounds, consider quotes for swings and purchase.

- Playground actions report received from SCA. Quote for chains for swings provided. PC to place order as on asset register with contribution from SCA for net value.
- Quote received of £1169.47 incl VAT from Playdale for swing repair at Baycliff. The BCA have agreed to proceed with Playdale. There are cheaper options available but as the swings were purchased from Playdale, the BCA feel it makes sense to maintain the supplier for parts. The BCA will make a donation as well as using their remaining grant funds to total the net amount with the PC making the purchase as this is on the PC asset register.

Flooding solution works at Aldingham making very good progress. Cllrs Martin & Cook attended a site visit and were very impressed with the works. Thanks have been passed onto CCC and all involved.

Update received from Locality Officer at SLDC. The kitefliers are reported to have been at Bardsea with a number of complaints as well as a small number at Newbiggin. The PC still plan to write to the Home Secretary and await hearing of any actions by SLDC now that the kiteflying has been happening at Bardsea on SLDC land.
